Advisory - Scheduled Maintenance of e-Invoice Services (31 October - 1 November 2026)

28/10/2026

Dear Taxpayers,

Due to a scheduled infrastructure upgrade, certain e-Invoice-related services on the GST portal (https://einvoice.gst.gov.in) would remain temporarily unavailable during the following period:

Start: 31 October 2026, 9:00 AM (IST)

End: 1 November 2026, 1:00 PM (IST)

Affected services:

1. e-Invoice data retrieval and processing from IRPs.

2. Auto-population of e-Invoice data in GSTR-1.

3. e-Invoice JSON downloads through the portal and APIs.

Taxpayers and other stakeholders are advised to plan their activities accordingly. The affected services are expected to resume after completion of the maintenance.

The inconvenience caused is regretted.

Thanks,
Team GSTN
